

COLORADO MIDNIGHT EDITION

CHEVROLET

PERFORMANCE/TECHNOLOGY

Chevrolet Colorado Midnight Edition stands out with sporty exterior, advanced technology features and impressive engine power. The enhanced comfort of the cabin interior makes every drive enjoyable and exciting.

1. 2.5L Duramax Turbo Diesel Engine

Feel confident wherever your destination may be, with an engine built and copyrighted by Chevrolet worldwide. The 2.5L Duramax diesel direct injection engine featuring 4 cylinders, 16 valves, DOHC with Variable Geometry Turbocharger (VGT) and an intercooler. Generating 180 horsepower @3,600 rpm and 440 Nm of torque @2,000 rpm.

2. Remote Start

The impressive remote start feature allows you to start the engine from a distance, automatically turning on the air conditioning set to 25°C and cooling off your cabin before departure.

3. Electric Power Steering

The Electric Power Steering is highly precise and accurate. Steering weight varies according to the truck's speed.

4. 6-Speed Automatic Transmission with Manual Mode Function

This automatic transmission offers a combination of convenience and driving excitement. All power is transmitted via interchangeable Automatic and Manual 6-Speed gear modes for higher performance control. In addition, you can select from 2WD or 4WD to suit the type of terrain you are driving through.

5. Chevrolet MyLink

Chevrolet MyLink comes fully equipped to meet all infotainment and entertainment needs. Available phone integration with Apple CarPlay™ takes your favorite smartphone features and displays them in a smart, simple manner on a touchscreen with available Thai language. Use voice command to make calls, send and receive messages, play music and access the navigations system.

Standard equipment is different according to models. Please refer to the back cover of this brochure for more information.
